

Happy Q4, Partners!

We know, we know... this email is a bit overdue. But trust us, the wait was worth it!

We asked and heard you loud and clear; you like incentives tied to closes. The truth is, we like incentivizing closes!

With that said, here are the Q4 Thryv Partner incentives, just in time to help make this holiday season your most profitable yet.

- 1st Business Center or Marketing Center sale = 1x or \$150
- 2nd Business Center or Marketing Center sale = 2x or \$300
- 4th Business Center or Marketing Center sale = 3x or \$450
- 8th+ Business Center or Marketing Center = 4x or \$600

That's an additional \$1500 in monthly incentives on top of your regular commission.

Let's crush our Q4 goals together!

Happy selling,

Thryv Partner Team
